Station Madras, *Dated the* 20th January 1939.

From (Name) V.Ramakrishna Esq., M.A, I.C.S.,
(Designation) Director of Industries & Commerce.

To The Secretary to the Government of Madras,
Development Department.

Sir,

In order to accelerate the supply of disease-free layings among the rearers of Kollegal taluk, the following item of expenditure is found to be essential:—

Purchase and supply of sixteen testing tables and chairs at Rs.30/- per set to the members of the Peripatetic Rearing Party, Kollegal.

There are fifteen moth testers stationed in fifteen different villages of Kollegal taluk. Each moth tester is expected to test two lakhs of moths during the year. The testing work is now being done by placing the microscope on the dusty floor and the moth testers squatting in front. This is very tedious and troublesome and it is

not possible to expect quick and efficient work from moth testers who are not given proper facilities. As they have to work continuously for four or five hours at a stretch in the morning and afternoon I consider it necessary that each moth tester should be supplied with a testing table and a chair to facilitate moth testing work on a large scale. I therefore propose to purchase sixteen sets of tables and chairs for the use of the moth testers. Moth testers possess records and costly appliances like the microscope which are now being kept in the village houses. With a view to enable them to keep these safely the tables will be provided with drawers.

The Sericultural Expert reports that furniture ordered from the Central Jail, Vellore is generally received in damaged condition. In addition to the higher prices paid for the furniture, heavy transport and repairing charges have to be incurred. Since Kollegal is 38 miles away from the nearest Railway station, the articles have to be conveyed by bullock carts and so they are always liable to be damaged in transit.

It is reported that in Kollegal it is possible to get furniture of good quality at reasonable prices. I furnish below the rates at which the articles of furniture referred to above can be manufactured at Kollegal as compared with the rates quoted by the Central Jail, Vellore.

	Rate quoted by the Central Jail, Vellore.	Rate quoted by local manufacturers
Teak wood testing table each.	Rs.33 0 0	Rs. 30 0 0
Teak wood armless chair each	Rs. 6 8 0	for one table and on Chair.
	Rs.39 8 0	Rs.30 0 0

It will be seen that there will be a clear saving of Rs.9-8-0 on each set of table and chair if purchased locally. Besides this the packing and transport charges will be a further saving. In the circumstances stated above, I request that sanction may be

accorded for the purchase of sixteen testing tables and chairs from the local manufacturers at Rs.30/- per pair (a chair and a table) The total cost on this account will amount to Rs.480/- and this can be met from the sanctioned allotment of Rs.15,000/- under "a.j. Sericulture - Voted - Contingencies" I understand that the Forest Department has obtained the necessary special sanction of Government for the local manufacture of articles of furniture required for the District Forest Officer Kollegal.
